

如何建立報告.

How to Generate report.

請選擇你要建立的報告的種類.

Choose the type of report.

可以選擇要建立報告的對象

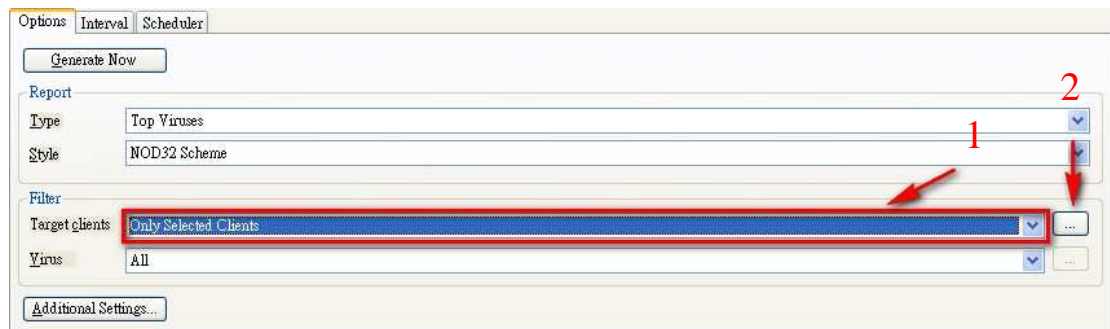

If you need to filter the target, please follow the step.

(1) 選擇特定的對象

Choose the only selected clients

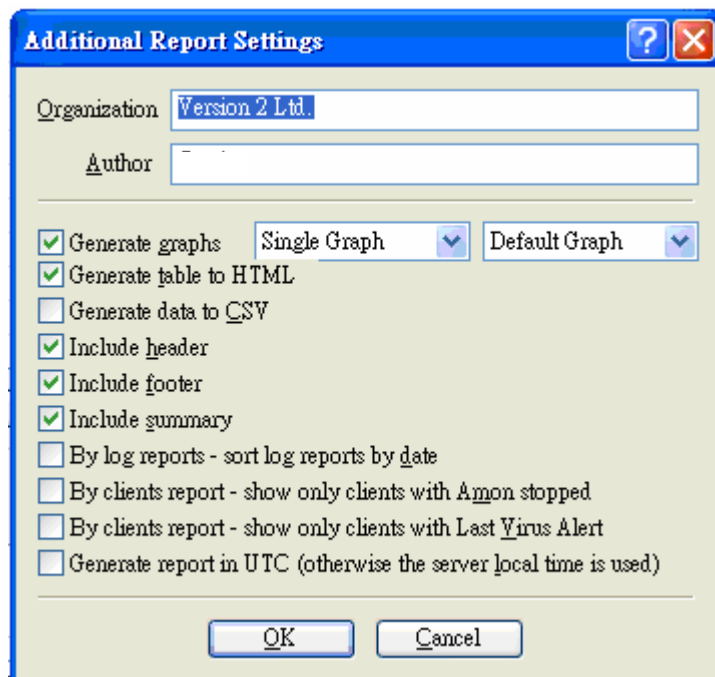

(2) 在選表中選擇對象

Please select the target from the list of clients.

請選擇報告內的設定

Please select the option of report setting

Additional Report Settings

Organization: Version 2 Ltd.

Author:

☒ Generate graphs Single Graph Default Graph

☒ Generate table to HTML

☐ Generate data to CSV

☒ Include header

☒ Include footer

☒ Include summary

☐ By log reports - sort log reports by date

☐ By clients report - show only clients with Amon stopped

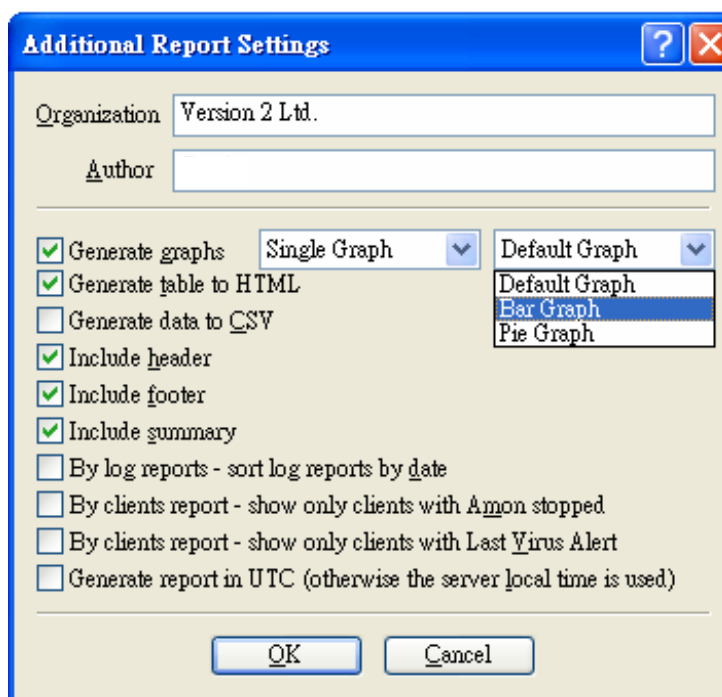

☐ By clients report - show only clients with Last Virus Alert

☐ Generate report in UTC (otherwise the server local time is used)

OK Cancel

請選擇圖形,如棒形圖/圓形分格統計圖表

Please choose the Graph, eg. The Bar Graph or Pie Graph.
